

ACHIEVING CHAP ACCREDITATION & CERTIFICATION

1. **Accreditation Agreement**
2. **Site Visit Preparation**
3. **On-Site Survey and Review**
4. **Accreditation Determination**

We know the better the accreditation process, the more quickly you can continue the level of care that's so important to your mission. We strive to minimize the disruption to your business and streamline the time commitment so you can focus on what matters most.

Use these 4 Steps of CHAP Accreditation to better understand and navigate CHAP's accreditation process.

Please contact CHAP @202.862.3413 Press "2" or email us: info@chapinc.org
